ABOUT THE PROGRAM

TRAIN THE
TRAINER

This 5-days virtual instructor-led training (VILT) program has been designed to provide a comprehensive foundation for the effective planning and delivery of training of protection officers and other security teams.

During the course, you will learn about the tools and skills needed to train people to a high standard and to create a warm, engaging training environment.

THIS IS THE RIGHT FIT FOR YOU IF....

- ✓ You are passionate about training?
Have 5 years and more experience in security supervision or management?
You are a certified protection officer (CPO)?
Wish to be a certified protection officer instructor (CPOI)?

train the trainer
